

More than just feed

Meadow Feeds Standerton
currently has the following vacancy:

**Lab Supervisor STA
Standerton**

Meadow Feeds is More than Just Feed!

We have been supplying safe, high-quality feed to southern African livestock producers for the past 80 years, using our unrivalled experience and expertise in this field to earn the trust of generations of farmers who bring wholesome meat, milk, and eggs to your table. We also supply a full range of technical services to our customers, including advice on nutrition, feeding programmes, animal husbandry, and production techniques.

Our commitment to optimal animal nutrition has made us the largest feed company in Africa and the leading supplier of innovative, high-performance feed solutions. An exciting opportunity exists for a Lab Supervisor at Meadow Feeds Standerton to join our team.

The ideal candidate would be responsible for:

- Supervision of laboratory staff.
- Raw material and finished product quality control.
- Maintaining NIR & wet chemistry database.
- Quality control of medication inclusion in feed.
- Maintenance of salmonella and rodent control program.
- Daily and monthly reporting.
- Laboratory stock and budget control.
- Managing sample retention store.

The successful candidate must meet the following requirements:

- A relevant National Diploma.
- Alternatively, a BSc Agriculture with a background in animal nutrition.
- Knowledge of feed ingredients and feed chemistry and ISO/GMP/HACCP management systems would be a definite advantage.
- Computer literate with MS Office experience, especially Excel.
- Quality driven.
- Good communication and interpersonal skills.
- Assertive, self-motivated with strong supervisory skills.
- Excellent analytical and numerical skills.
- Ability to apply laboratory protocol and methodology.
- A willingness to learn and advance skills.
- Personal and professional integrity.
- Converse fluently in both English and Afrikaans.

We offer a competitive total cost to company salary package

Closing Date: 22 August 2024
